

Anti-Collusion Policy Statement

Policy & Scope

It is company policy that only genuine and competitive tenders will be submitted by the company and that no collusion or acts of Bribery as covered under the Bribery Act 2010 will take place in the submission of our tenders with the exception of any sub-contractors as identified within our submission (if applicable).

This policy applies to all staff engaged by the company however it does not form part of any employees' contract of employment and the company may amend it at any time.

In recognition of this principle, the company certifies that they will only submit bona fide tenders, intended to be competitive to all prospective clients and that we shall not fix or adjust the amount of the tender in accordance with any agreement or arrangement with any other person (except where a sub-contractor is identified within the tender).

We also certify that we will not undertake any of the following acts at any time:

- Communicate to a person other than to the prospective client, the amount or approximate amount of its proposed offer except where the disclosure in confidence of the approximate value of the Tender was essential to obtain insurance premium quotations required for the preparation of the Tender.

- Enter into any agreement or agreements with any other person that they shall refrain from tendering or as to the amount of any offer submitted by them.
- Offer or agree to give, or actually pay, any sum of money, inducement, reward or consideration, directly or indirectly, to any person for doing or having done or having caused to be done in relation to any other offer or proposed offer, any act or omission.
- The company thereby certifies that it shall not canvass any member, Director, employee, representative or adviser of the prospective client in connection with the proposed award of the Contract.

In addition, employees are requested to declare to the Directors (in writing or verbally) if they are aware of or have any financial interests including major stockholding or directorships in any other company or concern with which the company may be tendering.
