COMMON CHALLENGES FACED DURING THE DATA MIGRATION PROCESS:

- Data Quality & Integrity, when changing systems
- GDPR
 - Data Retention
 - Data Compliance
 - Secure Testing of Sensitive Data
- Legacy Data Strategy
- Time Constraints
 - Building Transformation Routines
- Underestimation of the Extract, Transform & Load stages & the impact on businesses

SUCCESSFUL OUTCOMES, WHEN WORKING WITH OUR SPECIALIST DATA MIGRATION TEAM:

- Fully auditable trail of the data from its source to its new home
- GDPR Compliant Data Processing & Management
- Data to meet the ongoing business needs
- Business Ownership of reconciled data
